

## Community Pillar Twin City Quarter

*October 2009*

The Twin City Quarter kicked off its Annual United Way Fund Drive at its Twin City Tailgate. The Event was sports-themed with lots of fall and football-related activities.

One tournament featured 14 teams of two, including a United Way Team made up of our United Way Ambassadors. There was also a pie baking contest and a pie eating contest.

Banquet Chef Christian Froelich narrowly beat his competition in the pie eating contest – check out his picture!

All of the activities had entry fees, and through them over \$165 was raised for the Forsyth County United Way. Other United Way Events at the Twin City Quarter will include guest speakers at our Team Member Events, the United Way Pumpkin Decorating Contest, and the culminating United Way Ice Cream Social.

This property Community Pillar activity supports all cornerstones by its contributions to the United Way.
